

Property information checklist

Gather what you have. Unknown details can be explored later.

Property address

Property type / current use

Owner or authorized property contact

Available parking spaces or area

Access hours and any entry restrictions

Nearby roads and major travel routes

On-site / nearby food, restrooms, shopping, or other amenities

Electric utility provider, if known

Existing electrical service information, if available

Existing charging infrastructure

Known easements, lease restrictions, or planned site changes

HELPFUL ATTACHMENTS

Aerial image, site plan, photos, and utility information.

Ready to discuss your property?

Send your details to ji.kim@capitalcharging.com

This checklist prepares a site conversation. It is not an application or confirmation of eligibility, network participation, or development approval.
